

Boards / Councils / Committees

Perfect for:

- ✓ Boards
- ✓ Councils
- ✓ Finance Committees
- ✓ WHS Committees
- ✓ Reporting Groups

A full range of benefits

Create consistent systems across your organisation

Apply the same efficiencies and document delivery throughout your organisation with no limit on the security groups.

Protect sensitive information – every time

Control who views sensitive information, by creating different levels of authorisation for each document.

Make instant updates and save time

Improve efficiencies, with document revisions that are displayed instantly - so there's no delay between changes and forwarding documents on.

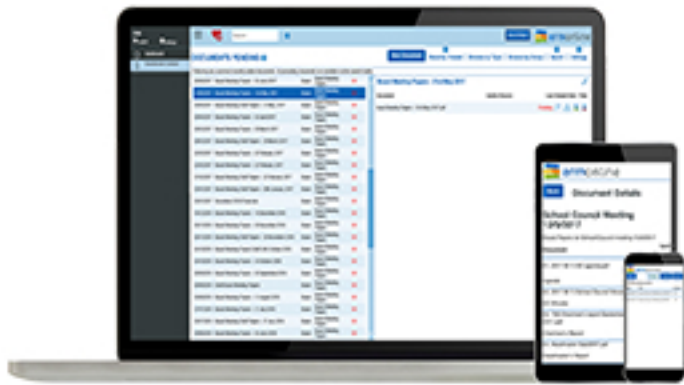

Keep accurate audit trails

Enjoy a transparent electronic record of each document viewer and, the time and date of each view.

Anywhere, Anytime

Enjoy the flexibility of being able to review any document package created via the mobile version.
