

Contracts / Agreements / Leases

Perfect for:

- ✓ Contracts
- ✓ Service Agreements
- ✓ Leases
- ✓ Special Conditions

✓ Automatic Notifications

Proactively handle contract renewal tenders with automatic notifications to specific staff members who handle that type of contract.

A full range of benefits

✓ Stay on top of contract expiry terms

Choose when to automatically notify your staff before a contract's expiry date, giving them adequate time to start the review process.

✓ Harness real time business analytics

Get instant insights into your business from our dashboard snapshots, helping management decisions.

✓ Manage documents securely

Centrally store and manage all your contract documents in one secure environment.

✓ Centralise your contract information

Manage thousands of contracts associated with the business centrally.
