

Registers

Perfect for:

- ✓ Gift Register
- ✓ Complaints Register
- ✓ Breach Register
- ✓ Accidents and Injuries Register
- ✓ Critical Incidents Register

A full range of benefits

✓ Seamless Approvals

Unlimited approval processes provide you with an audit trail of the application along with the ability to communicate in a matter of hours instead of days.

✓ Tailored Reporting

Develop tailored reporting based on your requirements whilst your Dashboard snapshots provide insights into the number of reports making up your Register.

✓ Instant Notifications

Provide instant responses with notification emails to users dependent on responses within the form.

✓ Anywhere, Anytime

Enjoy the flexibility of being able to review and action any report via the mobile version.

View every detail as soon as it happens and action your approvals with ease and efficiency.
